

## **Horse and Farm Program for At-Risk Youth**

Gallop To Success Inc, a 501c3 nonprofit organization, serving at-risk youth ages 7-17 in Bennington and the surrounding region through horses and farm life, is very proud to announce our tenth year of successful summer programs and year round programs. Gallop To Success Inc. is housed at Kimberly Farms Stables in Shaftsbury VT.

Participants are referred to the farm and horse life program from local community mental health agencies, social workers, teachers, and counselors. The participants work hand in hand with our experienced staff utilizing the specialized curriculum focusing on improvement of confidence, self-esteem, leadership, and compassion. Many of the participants are attending for the second and/or third year thanks to the generous donations of community members, past participants, parents, and local state and national businesses. There is no cost whatsoever to the selected program participants.

**WE ARE SEEKING** new members for the Gallop To Success Inc. Board of Directors. If you have a desire to help at-risk youth and can commit 1.5 hours per month of your time, we would welcome you to our organization.
